### From the Principal's Desk

It is a matter of great pleasure and satisfaction that L.T.K. College has come up with the 3rd issue of the college Newsletter "The Mirror".

I believe that this newsletter will serve as a crystal clear window through which the complete profile of the college incorporating academic and co-curricular activities, achievements and progress made during the stipulated period can be viewed.

We at L.T.K College are committed to create an ambience for nurturing innovation, creativity and excellence in our students. We aim to prepare the young and aspiring students into confident and competent faces of the society and to face the challenges of intensifying competition by imparting quality education coupled with appropriate training and wide exposure to the state-of-art practices. Our college lay emphasis on all round personality development and also in inculcating human values and professional ethics which help our students to become more humane and socially alive to lead a meaningful life.

Best wishes for the success and bright future of "The Mirror".

Dr. Bubul Kr. Saikia  
Principal

### From the Vice Principal's Desk

Is my extreme pleasure to write a few lines in the college bulletin "The Mirror" at the fag end of my career and express my sincere gratitude and thankfulness to LTK College for providing me the opportunity to serve the institution for nearly thirty three years . Personally, I feel proud of being part of the long odyssey of this august institution.

In this age of rapid social change and scientific progress, the college has been able overcome all the challenges in academic as well as infrastructural growth to cater to the needs of students. It is possible because it has a momentum and dynamism it has achieved through thick and thin.

Besides, the classroom activity, the students are always encouraged to participate in various socio-cultural and other allied activities with the object of promoting the sense of social responsibility and national integrity.

The college bulletin is a reflection of the activities carried out keeping in mind the all round development of the students. As such it is not only a transperant mirror but an opportunity to look back on the performance of the yesteryears and explore new possibilities in the interest of the college. Expecting a bright and prosperous future of the college, I wish to live in its vibrant veins even after my personal life is " rounded with a sleep."

" Long live LTK College"

" Long live The Mirror"

Baharul Islam  
Vice-Principal

এল টি কে মহাবিদ্যালয় : এক চমু পবিত্র

# THE COLLEGE IN BRIEF

NAME : **L.T.K College**

ADDRESS : Azad, North Lakhimpur-787031, Assam
