FROM THE PRINCIPAL'S DESK

"In the Age of Ideas the barrier to entry exists more in our minds than it does in the real world."
- Alan Philips

It is a matter of great pleasure and satisfaction that LTK College has come up with the fourth issue of the college Newsletter "Mirror 4.0".

The newsletter, in my opinion, will work as a window through which the full picture of the academic and extracurricular activities, achievements, and progress accomplished over the stipulated period may be seen.

We at LTK College are committed to create an ambience for nurturing innovation, creativity and excellence in our students. By providing top-notch quality education along with the necessary training on life skills and extensive exposure to cutting-edge methods and technologies, we hope to educate the young aspirants to confidently and professionally meet the challenges of a more intense competitive environment. Our educational programmes place a strong emphasis on the all-round personality development of our students as well as the instillation of life skill, professional ethics and human values that enable them to lead fulfilling lives.

Best wishes for the success and bright future of "Mirror 4.0".

BUBUL KUMAR SAIKIA
Principal
L.T.K College

FROM THE VICE PRINCIPAL'S DESK

The bulletin of L.T.K. College, The Mirror 4.0 (2021-22) is the reflection of activities undertaken by the teachers in different times. I would like to stress here especially that the Teacher's Unit of L.T.K. College have been very active in conducting seminars, undertaking research projects, publications and above all different types of welfare activities to engage with the community.

I would like to express my sincere gratitude to Dr. Bubul Kr. Saikia Sir, honourable Principal of L.T.K. College and all the esteemed members of the Teacher's Unit and editorial committee for their untiring efforts to bring this edition of the bulletin to fruition.

With regards and best wishes.

BIDYUT CHUTIA
Vice Principal
L.T.K College

FROM IQAC COORDINATOR'S DESK

The fact that LTK College will be publishing a Newsletter "Mirror 4.0" for the benefit of students, teachers, and society at large makes me extremely happy. This publication is a reflection of all the activities undertaken by students and faculty members in a stipulated period of time. It also reflects the visions of LTK College family and the development that the college has undergone in the year that passed. It assists in giving students a perfect and high-quality platform on which to advance their academic understanding and co-curricular activities and also assists teachers to uphold their creativity in their respective fields. It gives me pleasure to thank the editorial board of the "Mirror 4.0" for providing me the space.

I wish for a happy future and the expansion of both the college and the Mirror.

BIJU KUMAR SONOWAL
IQAC Coordinator
L.T.K. College

ABOUT THE COLLEGE

The L.T.K. College was founded with the purpose of providing higher education to the economically underprivileged sections of the society, promoting ideals of national integration, democracy and secularism allowing for the all-round development of the student community, working toward the society's overall growth and raising awareness of the national, social and economic problems among its student community. The college is dynamic and periodically reviews students' progress and adopts various resolutions to introduce value-based and career-oriented courses granted by UGC. The college currently offers the following courses:

4. Advance Diploma in Acting
5. Nursery Management
6. NCC under 72 Assam Girls'(I) Coy, Chaboti, NL
7. NSS
8. Web Design (Certificate Course)
8. 22 (Twenty-two) Add-on Courses approved by Dibrugarh University
9. The College has also been selected for Institutional level Bio-Tech Hub by the Department of Bio-Technology, Ministry of Science and Technology, Government of India in the year 2013-2014.

- Master Degree Programme in Arts (M.A)

समर्थ युवा, समर्थ भारत।

BOARD OF PRACTICAL TRAINING (EASTERN REGION)

NATS UNDER BOPTER:

National Apprenticeship Training Scheme is one of the flagship programmes of Government of India. Ministry of Education, Department of Higher Education, Government of India implements the NATS through Board of Practical Training at Kolkata and Boards of Apprenticeship Training located at Chennai, Mumbai, Kanpur for providing skill training by utilizing the facilities available in the industries to Graduates & Diploma Holders in Engineering & Technology. But on 24/12/2021 an initiative has been taken up to for skilling the Graduates or Equivalent in General Streams such as BA, B. Sc and B. Com under NATS and as such L.T.K. College appointed a Nodal Officer and has also started to encourage the passed out students of the past five years to get themselves enrolled under NATS Portal. Till now many of our students have registered themselves to undergo the apprenticeship trainings.

BEST PRACTICES OF THE COLLEGE

Students Mentoring: Students mentoring has been adopted as one of the best practices of the college for holistic development of the students on progressive line and to create a sociable relationship between the students and the teachers with different parameters such as academic, attendance extra-curricular, career and general. The mentors are to redress the grievances of the students to the extent possible. The mentoring system is evaluated by the Principal and the Coordinator of IQAC to ensure the quality and efficiency in practice.

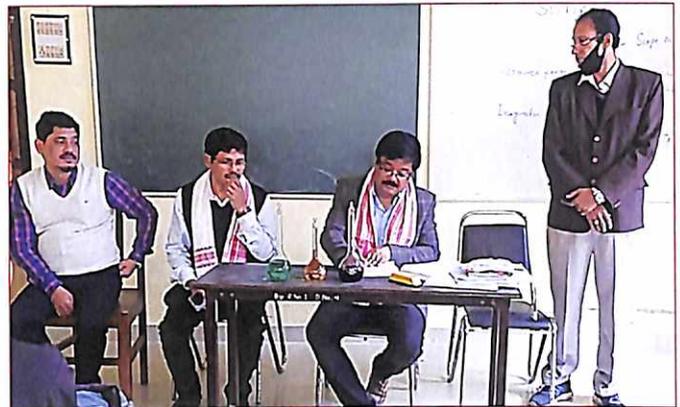

Digitalization of the College: Digitalization of the college is another best practice of the college to achieve the mission of the college and to make teaching-learning a new and innovative experience. The college has a digital library who has started to make access to digital resources easy for students and teachers. Class O' Clock App for making attendance transparent, submission of documents through Digi Locker, ICT facilitated classrooms, Computer Labs and signing of MoUs with various agencies for the maintenance of all digitalized processes.
